

Welcome to Messiah Lutheran Church !

Hello! We look forward to your visit to Messiah. When you visit, you will find:

- A community of forgiven sinners
- A community based upon grace and mercy
- A community where worship takes various forms
- A community where children are welcomed and included
- A community that is active in love, through serving others
- A community committed to growth in the midst of change
- A community with an exciting and challenging future

If you are new to town and are looking for a church home, we have a place for you. If you have fallen away from the faith and are interested in renewing your relationship with God, we want to help. If you are curious about this man Jesus, we will help you learn more about his life and meaning.

God bless you — we look forward to meeting you!
